Title: The Secret Inside Story <bodybgcolorred>The Beggars Tale

Author: Dirty De

There was once a very
very sad little seal - he
was lonely and had no
family. When he was
born, his mother died and
shortly after, his father
abandoned him. He was
all alone, he had no food;
there was no one
providing for him. All He
wanted was to play with
other seals, bounce a ball
on his nose and squeak
like happy little seals like
to squeak. The seal soon
got dehydrated and
ᶜᵉoated onto a solitary
beach. That is where a
dirty beggar, Dirty De,
found him; all alone and
on the verge of death.
All he wanted to do was
to save the little seal,
but he had no
means to fight monsters
as he was just a weak -
dirty beggar. He then
set out on one of the
grandest begging sprees
known to Britania, and in
doing so brought life back
to the city of Britian,
now go donate 10 gold to
the seal.
